REASONS WHY YOU WOULD LIKE TO WORK AT KOJAX SOUFLAKI

At Kojax Souflaki, we are looking for a warm and professional employee. Once we hire, we are concerned about the complicity that can be established between the employee and us. We evaluate the pleasure that we could have discussing, theater, skiing or a diner. It is important for us to have a lively and conversational atmosphere. We hire the most promising candidates. The incompatibility elements are rejected. We are looking for passionate and available people.
